It's Just My Style

Fashions Change
STYLE IS FOREVER

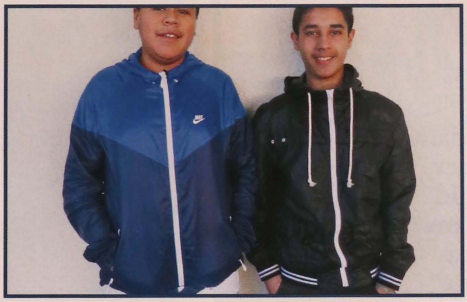

Don't know how to wear your hair? Put it up in a bun or wear a fashionable beanie.

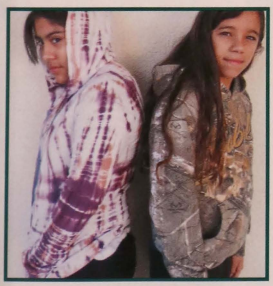

Leggings and boots are always cute. Add a flannel to spice it up!

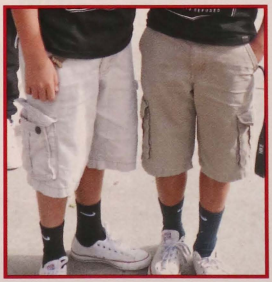

Boys have style too! Get rid of that tired hoodie and wear a zippered wind breaker.

Tye Dye or Camo?

Ripped jeans and Converse are a wardrobe essential that will never go out of style.

Got Cargo Shorts?

A LOOK AT WHAT HAPPENED DURING THE

2014-2015

SCHOOL YEAR

A YEAR CAPTURED

Some parts of the year were mysterious, others were awesome and empowering, and still others — tragic. Take a look back at this collection of the year's highs and lows, from music, science and weather to fashion trends, technology and sports, and lots of things in between.

WORLD YEAR BOOK

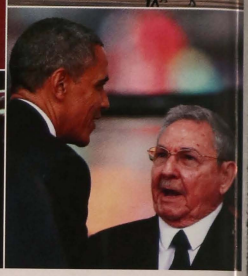

SHIFTING POWER...

INDIA'S NEW LEADER President Pranab Mukherjee appointed Narendra Modi as the new Prime Minister, succeeding Manmohan Singh. **UNEASINESS AFFECTS OTHER NATIONS** Problematic situations in Russia — fueled by a less than desirable economic state and varying opinions of immigration challenges — emphasized struggles within the country and caused other nations to react. The unrest led to Sweden's plan to re-train citizens previously enlisted in the Swedish army. **SCOTLAND REMAINS** Given the chance to be an independent nation, 55% of Scottish citizens voted to remain a part of the United Kingdom. Celebrating ensued after new life was given to a nation contemplating succession. **CUBA AND U.S. MAKE AMENDS** President Obama restored full diplomatic relations between Cuba after 50 years. This led to the release of suspected American spy Alan Gross who was being held in a Cuban prison. Obama, in turn, released three Cuban spies who had been imprisoned for years.

MH17: WHO TO BLAME? Definitive evidence showed that Malaysia Airlines MH17 was shot down by a missile. Investigation continued as no group took full responsibility. However, speculations pointed to Russian forces.

AIRASIA INDONESIA CRASH Flight QZ8501 crashed into the Java Sea near Borneo in late December, carrying 162 passengers. The aircraft was only halfway to Singapore when its signal was lost due to bad weather conditions.

Impacted

TALIBAN Seven militants were killed after leading a Pakistani school siege in December. More than 140 people were killed; 132 of them were children.

FIGHTING ISIS The extremist group controlled regions in Iraq and Syria and caused heavy unrest in a variety of violent and unsettling militant ways.

CHARLIE HEBDO Terrorists raided the French magazine office, killing 12. At the same time, 19 people were held hostage at a kosher store; four were murdered.

BOKO HARAM MASSACRE A major attack on Nigeria occurred in January; it was thought to be the largest ever conducted by the militant group.

EBOLA

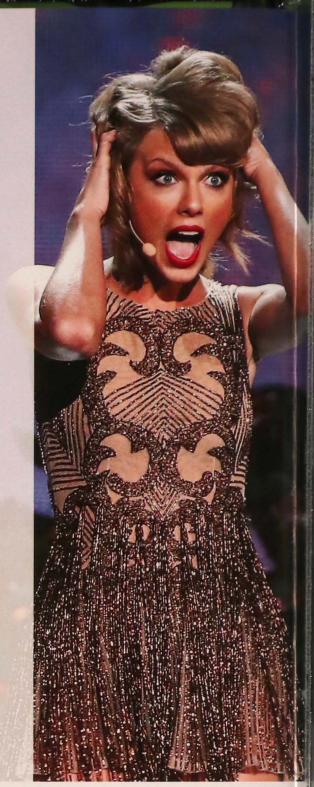

Ebola Epidemic in West Africa A severe, usually fatal disease in humans, broke out in West Africa — the largest epidemic since the disease was discovered in 1976. It was transmitted through direct human-to-human contact and included symptoms of fever, diarrhea, weakness, aches, internal bleeding and organ failure. The countries most highly affected were Guinea, Sierra Leone and Liberia; the Center for Disease Control and Prevention reported roughly 9,380 deaths in those three countries alone. The U.S. dealt with limited cases, involving several recoveries and only two deaths — both involving men who had been infected in Africa and traveled back to the U.S. before becoming ill. Even so, Americans panicked and more than 50,000 tweets followed. The World Health Organization raced to develop and test effective vaccines.

TALK ABOUT SUCCESS

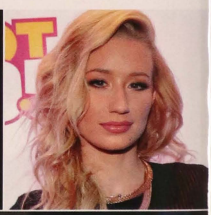

Swift History and Some Lovable Brits

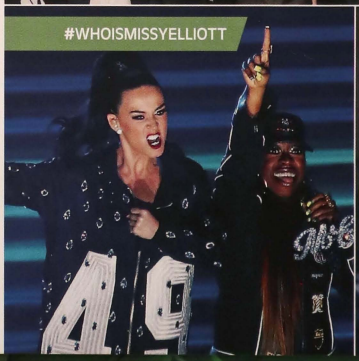

There was no denying the crazy success generated in 2014 by Taylor Swift, Sam Smith, Ed Sheeran and One Direction — they all continued making headlines (the good kind). Swift made history as "Blank Space" replaced "Shake It Off" on Billboard's Top 100; she was the only female to ever accomplish this. Her newest album, *1989,* sold more than one million copies its first week. And there was clearly something about the British. One Direction had the highest grossing tour, raking in $131.5 million in just the first six months of 2014. Fellow Brits Sam Smith and Ed Sheeran were big winners during awards season. Smith took home four Grammys — Record of the Year and Song of the Year for *Stay with Me,* Best New Artist and Best Pop Vocal Album. Finally, Ed Sheeran won numerous awards, namely People's Choice Favorite Male Artist, Favorite Album for *X,* Teen Choice Male Artist and MTV VMA's Best Male Video for "Sing" with Pharrell Williams.

THEY LOOK SO PERFECT 2014 was a busy and successful year for Australian rock band, 5 Seconds of Summer. The group took home the Teen Choice Breakout Group award, American Music Award's New Artist of the Year, released a self-titled debut album in July and wrapped up a tour. I'M SO FANCY Australian hip-hop artist Iggy Azalea won a People's Choice Award, a Teen Choice Award and an AMA for Favorite Hip-Hop Artist. Her single, "Fancy" was named Best Song by iTunes and won Teen Choice Award's R&B/hip-hop song.

SUPER BOWL STARDOM Katy Perry performed Super Bowl XLIX's halftime show. She entered on a huge prismed, metal tiger, but the surprises didn't end there. Missy Elliott joined Perry to perform a set of three hits. Elliott had not produced an album since 2005 which led many to question who she even was. QUEEN BEY Beyoncé's successes continued. She was named iTunes Best Artist, opened for the Grammys — where she won both Best R&B Song and Performance — renewed her vows with Jay Z, and starred in the 17-city "On the Run" tour.

The Award Goes to...

ARIANA GRANDE Teen Choice Female Artist and People's Choice Favorite Breakout Artist were only two of the awards Grande added to her collection.

MIRANDA LAMBERT This Texas-born country star won several notable awards including a Grammy for Best Country Album and three separate CMA awards.

HUNTER HAYES People's Choice Favorite Country Male Artist went to 23-year-old Hayes, who also released a second album for which he co-wrote every track.

CARRIE UNDERWOOD In addition to winning the Favorite Female Country Artist AMA and People's Choice awards, she debuted a baby bump in September.

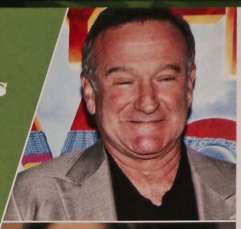

Lost Icons

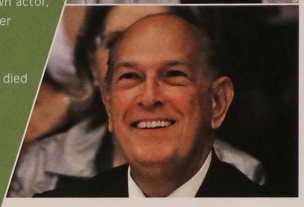

05.28.14 Legendary author and civil rights advocate Maya Angelou, 86, died due to continued heart conditions.

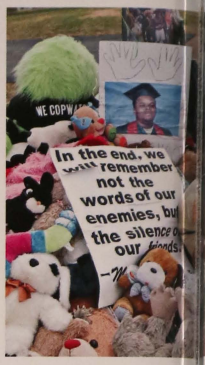

08.11.14 Comedian and well-known actor, Robin Williams died at age 63 after having dealt with depression.

09.04.14 Fashion Police's Joan Rivers died at 81 after going into cardiac arrest during a surgical procedure.

10.20.14 Distinguished fashion designer Oscar de la Renta died at age 82 after battling gastric cancer.

DEATH WITH DIGNITY

Brittany Maynard was a 29-year-old Californian who learned that her brain cancer would ultimately kill her. She was told her condition would only worsen, so she decided that death with dignity was the best option. Her family relocated to Oregon, one of just three states that honored this decision, where she ended her life on November 1, 2014. Before her death, she worked closely with Compassion & Choices, an end-of-life choice advocacy group, in hopes to make choice an option for other terminally ill individuals.

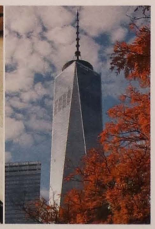

GUN CONTROL & MENTAL HEALTH

Due to school shootings like the one at Sandy Hook Elementary and more than 20 others in the two years since, gun control became an issue that demanded attention. But the focus turned toward mental health and the attention it deserved in regard to tragic shootings. It was perplexing to some that only 27 states increased funding for mental health in 2014. There were hopes that other states would pattern plans like Virginia, Minnesota and Wisconsin in their efforts to provide proactive mental health services for clients of all ages.

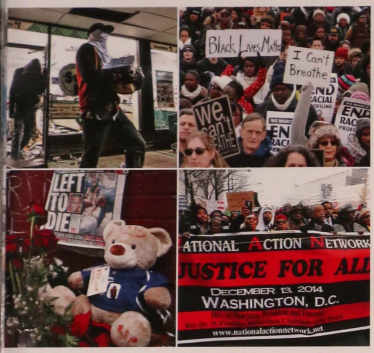

MEMORIAL MUSEUM DEDICATION In May, 2014, the September 11 Memorial Museum opened to the public in New York, and displayed familiar 9/11 sights and artifacts. OPEN FOR BUSINESS Thirteen years after 9/11, One World Trade Center — the tallest building in America — opened its doors.

Community Tension Escalates Michael Brown, an African American teen in Ferguson, Missouri, was shot and killed by white police officer Darren Wilson in August. Violent and ongoing riots erupted in Ferguson and other U.S. cities, especially after the jury decided not to indict Officer Wilson. In Ferguson, windows and storefronts were shattered, stores were looted, shots were fired and police squad cars were set aflame. Crowds gathered in other parts of the country to protest, claiming that justice had not been served. To make matters worse, the events in Ferguson occurred just three weeks after 43-year-old Eric Garner was approached by officers in New York who observed him selling untaxed cigarettes. Garner reportedly had his hands in the air for police, but was put into a chokehold and thrown to the ground where he muttered, "I can't breathe! I can't breathe!" After lying motionless on the ground, Garner, an asthmatic, died on the way to the hospital. Protests nationwide regarding his death followed — including one with his family marching alongside Reverend Al Sharpton in Upper Manhattan calling for a full investigation of his death.

MAKING HEADLINES

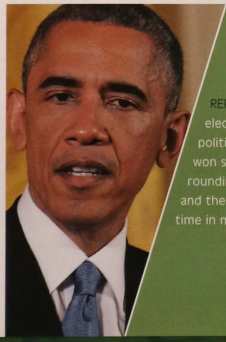

#ICEBUCKETCHALLENGE

Raising Awareness

ALS CHALLENGE Social media allowed the "Ice Bucket Challenge" to go viral. Designed to raise awareness of ALS (Lou Gehrig's Disease), people would post a video of themselves dumping ice water over their heads and then challenge someone else to do the same or alternatively, donate money to The ALS Association. The campaign raised more than $220 million worldwide.

GONE, BUT NOT FORGOTTEN A memorial honored police officers Wenjian Liu and Rafael Ramos, who were shot and killed in their squad car in Brooklyn. The shooter, Ismaaiyl Brinsley who then killed himself, had earlier posted on social media expressing distaste for the police.

America Decides

REPUBLICANS TAKE SENATE The midterm elections rendered a dramatic shift in political party dominance as the GOP won seats from the Democratic Party — rounding out the House with 247 seats, and the Senate with 54 — for the first time in more than 80 years.

TWIN TORNADOS Pilger, Nebraska, witnessed rare twin twisters in mid-June causing two deaths, 16 injuries and flattened homes. TYPHOON RAMMASUN The Philippines, China and Vietnam fell victim to a July super typhoon that claimed more than 150 lives, destroyed thousands of homes and wiped out crops. PINEAPPLE EXPRESS STORM While the strongest rainstorm in years hit California and the Pacific Northwest in February leaving thousands without power and causing flooding and mudslides, the storms were not enough to eliminate drought conditions. EARTHQUAKE A 6.0 tremblor, the strongest since 1989, shook the Napa Valley. Dozens were injured, thousands lost power, and several buildings and roads were damaged.

TECHNOLOGICAL...

NETHERLANDS SOLAROAD The world's first solar road was built in Krommenie, Holland — a 230-foot long bike path that turned sunlight into energy to power street lights, traffic lights and even households. Officials planned to continue testing the solar road to develop even more energy-producing roads. **SPACESHIPTWO** Co-pilot Michael Alsbury died in Virgin Galactic's SpaceShipTwo as it disintegrated above California due to a premature unlocking of its feathering system. His co-pilot was injured, but parachuted to safety. **ROSETTA MISSION** History was made as spacecraft Philae landed on a comet 300 million miles from Earth. Harpoons shot into the comet's surface, anchoring the craft to the ground. Philae was set to drill for samples and help European astronomers study the composition and magnetic fields of the comet, but the inability to recharge its solar panels caused Philae to go missing. **MARYAM MIRZAKHANI** For the first time ever, the Fields Medal went to a woman. Iranian-born Mirzakhani spent a decade mathematically analyzing billiard geometrics to understand the symmetry of curved surfaces. **NEREUS DEEP SEA SUBMARINE** The $8 million U.S. craft imploded under intense pressure 10 kilometers down during an exploration of the Kermadec Trench near Northeast New Zealand. The robot was built in 2008 and offered insights to unexplored oceans within its brief life.

NOT THE NORM

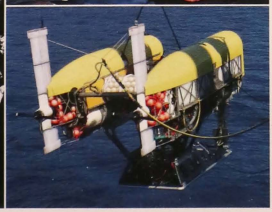

Volcanic Action in Hawaii and Iceland

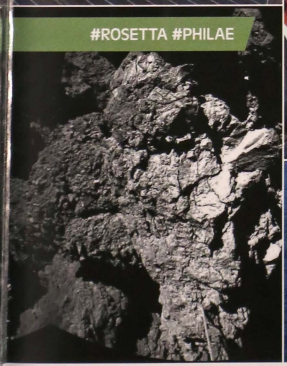

Lava from the Bardarbunga volcano flowed after a series of earthquakes in late August, expanding the size of Iceland. The spreading of the Eurasian and North American tectonic plates allowed lava to fill the gap, increasing Iceland's land area; enough molten rock was released to cover an NFL football field every 5.5 minutes. Unlike the eruption in Hawaii, no one lived near Bardarbunga's lava flow. Mount Kilauea on Hawaii's 'Big Island', one of the world's most active volcanos, erupted in June, threatening surrounding communities with a continuous river of lava. It surged toward the town of Pahoa causing most residents to evacuate, as there were few other options. Gravel roads were built as escape routes, but some residents requested to watch their homes burn in order to cope with the loss.

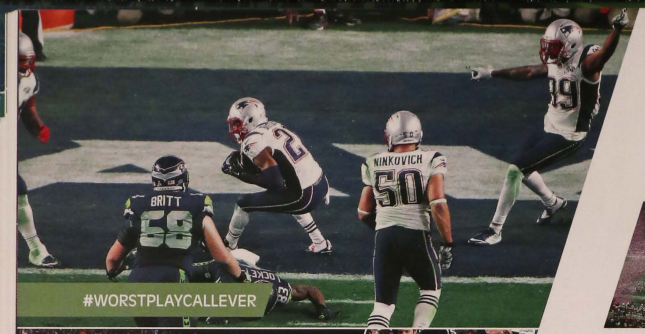

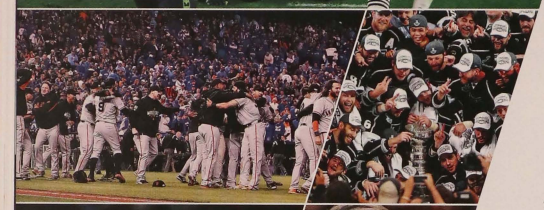

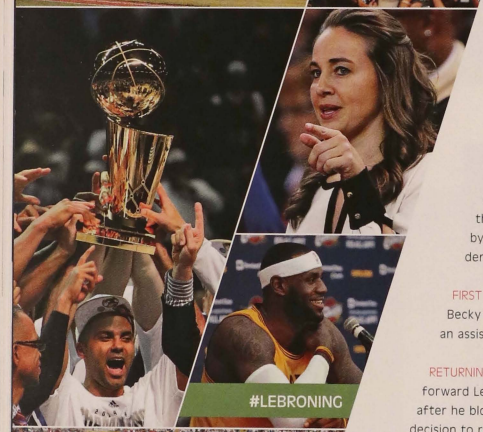

DREADNOUGHTUS Bones from possibly the largest dinosaur in existence — approximately 85 feet long and 65 tons — were unearthed in Argentina's southwestern Patagonia.

PELAGORNIS SANDERSI The Charleston Museum held the fossils of a newly discovered species and presumably the largest flying bird ever. P. sandersi had a 20-24 foot wingspan and was thought to be alive 25 to 28 million years ago.

#LEBRONING

#BRAZILVSGERMANY

SUPER BOWL XLIX The New England Patriots celebrated the game-saving interception by Malcolm Butler in the fourth quarter, beating the Seattle Seahawks 28-24. Tom Brady was named Super Bowl XLIX Most Valuable Player, and joined Joe Montana as the only three-time quarterback winners of the MVP.

Game Changers

GIANT WIN SF Giants defeated the KC Royals in the World Series with the heroics of pitcher Madison Bumgarner who clinched with only two days' rest. This was the Giants' third championship in five years.

NHL HOCKEY Los Angeles Kings revelled as Stanley Cup Champions after beating the New York Rangers 3-2 to take the best of seven series in just five games.

NBA MEN'S BASKETBALL The San Antonio Spurs celebrated their fifth NBA Finals Championship with a 104-87 victory over the Miami Heat in game five. The Spurs won by an average of 18 points per game to deny Miami a three-peat.

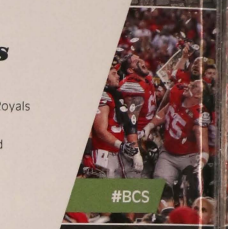

FIRST FEMALE NBA COACH The Spurs hired Becky Hammon, a six-time WNBA All-Star as an assistant coach.

RETURNING HOME Cleveland welcomed forward Lebron James back to the Cavaliers after he blogged the announcement of his decision to return.
